2. Complaints Policy

2.1 The Group's Complaints Management Framework

The Group has established, maintains and operates an adequate and effective complaints management framework, which is appropriate.

The Group's Philosophy

It is the Group's philosophy to handle all complaints (reportable and non-reportable) submitted within the shortest possible time and to resolve each complaint to the satisfaction of our clients, where possible. We strive to keep the process transparent and fair (reference to the Group's TCF Policy) at all times, and to keep complainants informed of the process and progress at regular intervals. Where necessary, an escalation process is in place to address urgent matters and complaints that cannot be resolved through the normal channels and processes.

2.2 Definitions

The Policyholder Protection Rules, published on 15 December 2017 (with effective date January 2018, of which this rule (18) became effective 1 January 2019), contain the following key definitions which expand on the definitions currently contained in the Short-Term Insurance Act, Financial Advisory and Intermediary Services Act and the General Code of Conduct for Authorised Groups and Representatives:

- (b) **"Complaint"** means an expression of dissatisfaction by a person to an Insurer/FSP relating to a policy or service provided or offered by the Insurer/FSP which indicates or alleges, regardless of whether such an expression of dissatisfaction is submitted together with or in relation to a policyholder query, that:

- d) **"Financial service provider"** means The Group (the FSP).
- e) **"Goodwill payment"** means a payment, whether in monetary form or in the form of a benefit or service, by or on behalf of an Insurer/FSP to a complainant as an expression of goodwill aimed at resolving a complaint, where the Insurer/FSP does not accept liability for any financial loss to the complainant as a result of the matter complained about.

- h) **"Rejected"** in relation to a complaint means that a complaint has not been upheld and the Insurer/FSP regards the complaint as finalised after advising the complainant that it does not intend to take any further action to resolve the complaint and includes complaints regarded by the Insurer/FSP as unjustified or invalid, or where the complainant does not accept or respond to the Insurer's/FSP's proposals to resolve the complaint.
- i) **"Reportable complaint"** means any complaint other than a complaint that has been:
- 1) Upheld immediately by the person who initially received the complaint;
 - 2) Upheld within the Insurer's/FSP's ordinary processes for handling policyholder queries in relation to the type of policy or service complained about, provided such process does not take more than 5 (FIVE) business days from the date the complaint is received; or

- e) All complaints will be dealt with promptly and with due consideration for the circumstances of the complainant and the Group's staff member involved.
- f) The complainant will regularly be kept up to date with the progress of the complaints handling process and will receive written notification of the outcome of the complaints handling process, which will supply clear and adequate reasons for any decision taken by the Group.
- g) If the complaint is upheld, any action undertaken by the Group must be carried out without delay and/or within agreed timeframes.
- h) The complainant will be informed of his right to pursue his complaint with any relevant industry body or Ombudsman and will receive the appropriate assistance in pursuing his complaint.
